SYNTHETIC TURF

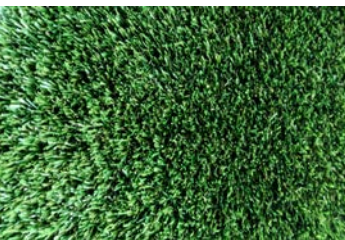

Leisure 25

25mm high, designed particularly for garden, landscaping and leisure. Good for patios, around swimming pools and around play areas.

Buffalo 30

30mm high, new generation product with 'C' shaped yarn. Very hard wearing, good around play areas, landscaping, swimming pools and commercial areas as it has minimal pile crush.

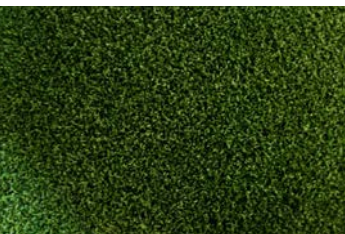

EcoSoft 35

35mm high, 3 tone soft touch fibre infilled with a beige thatch. Smooth finish look turf, soft under feet. Suitable for most landscaping and residential areas and light commercial areas.

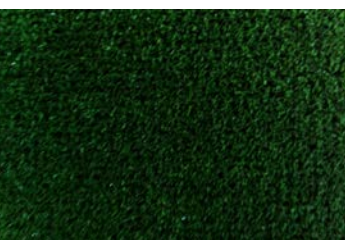

Premier 40

40mm high, prestigious 6 tone landscaping turf with a high and low pile height to look realistic. A good general purpose turf for residential and landscaping areas.

Multiplay – Putt 10mm & 18mm High Pile (Commercial)

Artificial putting greens are a perfect solution for residential high impact areas and golf clubs, hockey and bowling greens. We can design your putting area and tee off areas to your requirements.

Cricket Premium 9 and Standard 12 (Commercial)

Specifically, for use on cricket pitches our premium synthetic turf is made to the highest quality, closely tufted to ensure a consistent and true bounce.
